

Fusion - Gear for the Elements - 2 Locations, Hirafu & Hanazono

Having the right gear in the elements is critical for high performance and enjoyment while out on the mountain.

Fusion has had 6 seasons to develop its offering and in that time accumulated a depth of knowledge about the Niseko area and the people that visit. The product range is selected with the elements in mind and the needs of the International and Japanese guest. Fusion has an exciting range of Kamonohashi merchandise for the kids to enjoy and keep their memories of Niseko alive.

Equipment Hire

For the 10/11 season Demo will again extend its equipment range to include more K2 side country and backside skis plus other skis from Line and Salomon.

Demo continues to offer the price pointed mid-range equipment and a special range of beginner equipment to ensure the guest progresses quickly to enjoy the mountain. We have a comprehensive range of Kids equipment and a full range of boards and boots for snowboarders including Burton and K2 'demo' boards.

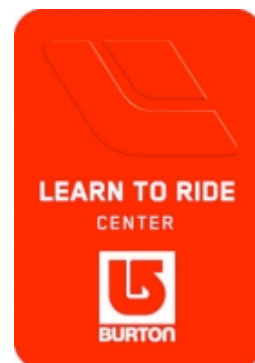

The Burton 'Learn to Ride' range is perfect for beginners and intermediates and will coincide with our Burton LTR programs offered by NISS.

All our skis and boards are maintained to the highest degree – right down to wax chosen most suited Niseko conditions.

Demo is committed to being the best rental store in Niseko by offering only Japanese supplied equipment and expert backed advice.
